### **FLYING J AND COMDATA REACH AGREEMENT FOR CARD ACCEPTANCE**

**Ogden, UT – June 3, 2010** – Flying J Inc., a privately held Utah corporation who operates a large network of full-service travel plazas and fuel stops, announced today that Comdata methods-of-payment will now be accepted at more than 250 Flying J locations across the U.S. and Canada. Comdata is a Brentwood, Tennessee, corporation and industry leader specializing in payment processing and data management products for the trucking industry.

“We are pleased an agreement has been made that will enable Flying J to immediately accept Comdata cards at our locations,” said Flying J President and CEO, Crystal Maggelet. “This arrangement will provide a new payment method which will enable more motor carriers and professional drivers to have access to Flying J’s fuel network and state-of-the-art highway hospitality services.”

Comdata president, Brett Rodewald, further stated, “We look forward to renewing our partnership with Flying J and are excited about the additional value this brings to our customers.”

For more information regarding fuel purchasing options, carriers may contact Flying J’s Fuel Marketing Department at (801) 801-624-1753.

#### **About Flying J**

Flying J Inc. is a multi-billion dollar corporation based in Ogden, Utah. This privately held company is comprised of retail fuel distribution and highway hospitality; transportation, refining and supply divisions; as well as financial and communications subsidiaries. A merger of the retail business with Pilot Travel Centers is awaiting FTC approval.
