 Fuel Stops

On January 31, 2006 the Flying J travel plaza located at I-15 Exit 305B in Salt Lake City, UT will be closing temporarily due to the demolition of the plaza.

A brand new facility will be built in its place and will open to the transportation public by approximately August 2006.

To assist you with this inconvenience we have several travel plazas in the surrounding area where you'll find low cost fuel and friendly service
